

Drawback shall be allowed only to the extent that the claimant can establish, by evidence satisfactory to the regional director (compliance), the actual quantity of taxpaid or tax-determined distilled spirits used in the manufacture of the product, and the effective tax rate applicable to those spirits. Special tax as a manufacturer of nonbeverage products shall be paid before drawback is allowed.

§ 17.142 Claims.

(a) *General.* The manufacturer shall file claim for drawback with the regional director (compliance) for the region in which the place of manufacture is located. A separate claim shall be filed for each place of business. Each claim shall pertain only to distilled spirits used in the manufacture or production of nonbeverage products during any one quarter of the tax year. Unless the manufacturer is eligible to file monthly claims (see §§ 17.143 and 17.144), only one claim per quarter may be filed for each place of business. The regional director (compliance) has the authority to approve or disapprove claims. Claims shall be filed on ATF Form 2635 (5620.8), Claim—Alcohol and Tobacco Taxes.

(b) *Manufacturers who are also proprietors of distilled spirits plants.* If a manufacturer of nonbeverage products is owned and operated by the same business entity that owns and operates a distilled spirits plant, the manufacturer's claim for drawback may be filed for credit on Form 2635 (5620.8). After the claim is approved, the distilled spirits plant may use the claim as an adjustment decreasing the taxes due in Schedule B of ATF Form 5000.24, Excise Tax Return. Adjustments resulting from an approved drawback claim are not subject to interest. This procedure may be utilized only if the manufacturer of nonbeverage products and the distilled spirits plant have the same employer identification number.

§ 17.143 Notice for monthly claims.

If the manufacturer has notified the regional director (compliance), in writing, of an intention to file claims on a monthly basis instead of a quarterly basis, and has filed a bond in compliance with the provisions of this part,

claims may be filed monthly instead of quarterly. The election to file monthly claims shall not preclude a manufacturer from filing a single claim covering an entire quarter, or a single claim covering just two months of a quarter, or two claims (one of them covering one month and the other covering two months). An election for the filing of monthly claims may be withdrawn by the manufacturer by filing a notice to that effect, in writing, with the regional director (compliance).

§ 17.144 Bond for monthly claims.

Each person intending to file claims for drawback on a monthly basis shall file with the regional director (compliance) an executed bond on ATF Form 5154.3, conforming to the provisions of subpart E of this part. A monthly drawback claim shall not be allowed until bond coverage in a sufficient amount has been approved by the regional director (compliance). When the limit of liability under a bond given in less than the maximum amount has been reached, further drawback on monthly claims may be suspended until a strengthening or superseding bond in a sufficient amount is furnished.

§ 17.145 Date of filing claim.

Quarterly claims for drawback shall be filed with the regional director (compliance) within six months after the quarter in which the distilled spirits covered by the claim were used in the manufacture of nonbeverage products. Monthly claims for drawback may be filed at any time after the end of the month in which the distilled spirits covered by the claim were used in the manufacture of nonbeverage products, but shall be filed not later than the close of the sixth month succeeding the quarter in which the spirits were used.

§ 17.146 Information to be shown by the claim.

The claim shall set forth the following:

- (a) Whether the special tax has been paid.
- (b) That the distilled spirits on which drawback is claimed were fully taxpaid
